In Person:

We welcome everyone to the sanctuary on Sunday mornings.

COVID-19 Protocols Continue until EASTER:

1. **Air Purifiers:** There are air purifiers in the sanctuary and the narthex that have been there for several months now. If you sit near one, please ***do not turn it off*** so that you can hear better!!!!!! It is at the appropriate level for the size of the room and for the benefit of all of us. They will remain in place for a while longer.
2. **Face Masks:** Please wear a mask that covers your nose and mouth at all times in the building through the month of March and into April. We are looking to have Easter as our day to relax this protocol. We know that it is optional in many places, but we are requesting this practice continue for us a little longer.
3. **No Food or Drink Allowed:** Currently, no food or drink is allowed in the sanctuary. We hope to restore our "coffee service" by Easter!!!
4. **Wash Your Hands:** Hand sanitizer dispensers will remain at each door.
5. **Keep It To Yourself:** We have been placing offering envelopes and weekly announcement pages on the table in the narthex with the offering plate. We will continue to do so. If you pick up either of them and then decide you prefer not to keep it, *please do not return it to the table*. Place it in one of the recycle bins at either entrance.
6. **Stay Home if You're Unwell:** COVID-19 is highly contagious. If you feel sick, are experiencing COVID-19 symptoms, have a known exposure, or *suspect* you have been exposed, please stay home.
7. **Pew Markers:** The pew markers encouraging seating in every other pew have been removed. Please respect the wishes of others who desire to continue to practice some social distancing when seated in the sanctuary.
8. **SINGING DURING WORSHIP CONTINUES:** keep your mask on but SING LOUD AND PROUD!!!!
1. **Keep It Moving or Not:** Feel free to congregate in the narthex!! Keep in mind that our space is limited and some will still prefer some social distancing. Respect of our neighbors is critical!!
10. **In-Person Gatherings:** Sunday School and all in-person gatherings/meetings can resume immediately. Please keep in mind that some people may not yet be comfortable meeting in person. We are able to have hybrid meetings that combine in-person and online options. Please contact me if you wish to utilize this option.

Please join us in keeping one another safe by maintaining safe habits in and away from the church, as well as showing respect the choices of others. Know that we sincerely care and are here for you! Let us know how we can strengthen our ties and be the awesome beloved community that God has created.
